Dear Parents & Caregivers,

We have had a wonderful start to this term. The students have returned from holidays and are already doing some fabulous learning. This semester your child may be working in different groups with different teachers at different times as we work as a school to support the individual needs of every student.

If you have any concerns about the changes to your child’s routine at school this semester, please contact your child’s class teacher to discuss this.

CELEBRATING ATTENDANCE

This Monday on parade we will acknowledge all of those students who had perfect attendance last term and those who only missed one day. Parents are welcome to attend our weekly parades and in particular come and celebrate with us the increasing number of students who are demonstrating their commitment to regular attendance.

SEMMISTER ONE REPORT CARDS

Report cards for each student are handed out at your parent/teacher interview. If you are unable to attend an interview your will receive your child’s report card in the mail next week.

If you were unable to attend an interview this week, but would like to discuss your child’s progress, please contact the school office to request an appointment with your child’s teacher. You may also request a phone interview if you are unable to make it into the school.

PREMIER’S READING CHALLENGE 2012

It has been great to see students who have already completed the minimum requirements for this challenge. Don’t forget that you can read as many books as you like!
