Prep Open Day

It was lovely to welcome some of our 2014 Preps to school today. They had a great time getting to know Miss Gibney and Mrs Stef‐fens and participated in some really fun activities. The parents were able to hear about our great Prep program and some of the wonderful things their children will get to do as a student of Grantham State School.

We will be holding another Prep Information session next term. So if you know someone who missed out today, we will be sending home information about next term’s Open day later this term.

2014 Enrolments

It is that time of year where we are looking to prepare for 2014. To assist us in planning for classes next year, we are requesting parents whose children are not returning to Grantham next year to complete the form on the back of the newsletter and return prior to the end of this term.

If you know someone who is planning on attending our school next year and would like to collect an enrolment pack, they are available from the school office.

Thank you to all of the staff who assisted in organizing and catering for today, and of course a big thank you to the parents.
