Last week was Under 8s day and it was a great success yet again. A number of our parents cooked for the stall, helped on the stall and took groups of students around to all the wonderful activities.

Thanks to their fabulous support our stall made just over $800. This will make a big difference to the 6/7 students going on camp at the end of the year.

In addition to Under 8s day, many of these same parents came back after a busy and tiring morning at Under 8s and helped make lamingtons to sell at the Election stall on Saturday morning.

Particular thanks must go to Tanya Hooper for her coordination of the fundraising events.

Under 8s a great success

After months of preparation it was finally time for our students in Prep-2 to attend the annual Lockyer Valley Under 8s day. This event is proudly coordinated by Grantham State School and a big thank you must go to Miss Gibney for her hard work in making this year’s event a big success. There was a small change of venue to the top oval at Gatton State School but it turned out to be a great place to host the event.

The students were accompanied by our wonderful staff as well as an enthusiastic group of parents. This year we also sent along our recorder group for the first time. If you haven’t heard them play, make sure you come along to our end of year concert night. They sound terrific.

Thank you to everyone who contributed to make this day a great one for all of our lower primary students.
ABC Exhibition Trailer visit next week

Next week we will have a visit from the ABC Exhibition trailer.

The trailer will be taking over our staff car park for 3 days.

Other small schools in the Lockyer Valley will be attending also and we look forward to hosting them.

All of our classes will visit the trailer and experience a range of ABC programs and platforms.

The trailer is very interactive and students will be able to learn about TV studios, radio programs, touchscreen information centres and see live TV channels. In addition there will be an ABC Shop Kiosk if you wish to send money with your child. The actual visit to the trailer is free and spending money is optional.

All students will be participating in this free incursion on Monday or Tuesday unless parents advise otherwise.
