REPORT CARDS

Semester One report cards will be sent home with students next Thursday. Report cards are one way of communicating with you about how your child is achieving with regard to the achievement standards of the Australian Curriculum. The report card outlines what students are able to do and how they can improve. It is important to focus on what the student has been able to demonstrate and provide them with positive encouragement in the areas they need to improve on. Included with today’s newsletter is the Behaviour and Effort Guide that teachers use to determine a student’s behaviour and effort level. It is important that you are aware that both attendance and a student’s ability to follow our Book Work Policy are taken into consideration when determining the level achieved.

It is also important for parents to be aware that:

A “C” means that the student has met the criteria for a learner to be at the appropriate age level.

A “C” means that the student is doing everything required at their Year Level at school. The best description is to say that a “C” means that the student’s academic development is exactly where it needs to be.

That means attaining a “C” for Achievement means you are ON TARGET for your age level!

Parent/teacher interviews were offered last term and will be offered again next term, however, if you would like to discuss your child’s report card with their teacher, please contact the school office to arrange a mutually convenient time.

MOVIE NIGHT

Next Wednesday evening, students on cooperative level and above are invited to attend our annual Movie Night.

The evening will commence at 6:00pm and finish at 8:30pm. Students may come in their PJs. A drink and small snack will be provided.

Prep/1 students will be with Miss Fitzpatrick

2/3 students with Mrs Brain (including year 3 from 3/4/5)

4-7 will be with Mrs Cavanagh

HEADLINE ALERT

There have been several cases of headlice at the school. Could all parents please check their children’s hair and treat if necessary.
