An Exciting finish to Term 3.

On the last Thursday of Term 3, we held our very first Grantham State School Ball Games Carnival. The weather was fantastic and thanks to Mr Donaldson, our PE teacher, and Mr Archinal from Gatton State School, our field was nicely painted for the day.

Congratulations to the Red Hawks who won the trophy for the most points for the ball games events and the Yellow Cowboys won the Spirit Award (generously created and donated by the 5/6/7 class).

Swimming Starts Thursday 16th October

P-3 classes, swim at the pool from 11.30-12.30 and 4-7’s classes swim at the pool from 12.30 1.30pm.
Focus on Values

To begin our term, we are reminding students of our four values, diligence, integrity, creativity and empathy. For the first four weeks of this term, we will draw students attention to one of the values.

Diligence at Grantham State School means working hard without giving up, completing what we start and doing things without having to be asked.

A very warm welcome to our new students and their families.

Daniel, David, Marita, Debra, Tamara and Joshua.

Researchers from the University of Western Australia are investigating children’s tendencies to being tricked, fooled and misled by their peers. We are looking to see how this develops in children, and when children outgrow this.

We are looking for parents of Kindergarten – Year 6 children across Australia to complete an online survey (15 – 20 minutes). Participants will go into a draw to win one of 10 $50 gift certificates to Coles/Myers. To participate go to:

Researchers from the University of Queensland are conducting research into parenting of children with type 1 diabetes. We are seeking parents of children and adolescents with type 1 diabetes to participate.

Participation in this project will involve completing a survey, and a telephone interview.

The telephone interview includes questions on diabetes management tasks which parents of children with type 1 diabetes experience difficulty with, how parents think and feel about parenting a child with type 1 diabetes, and their preferences for assessing services to assist in dealing with these behaviours and tasks.

If you are interested in participating in this research or would like further information please email clin.roslyn.pay@uq.edu.au

2015 Enrolments

It is now time for the school to commence planning for 2015 staffing and classes. It is very important that we have as accurate an indication as possible of enrolments so that we are well prepared for any changes to classes.

If you do not intend to be at Grantham State School next year, please complete the reply slip below and return to the office at your earliest convenience.

If you know of someone who is planning on attending our school next year, please encourage them to contact our school office to request an enrolment pack.

Due to our enrolment growth, places may be limited for those outside of Grantham after the commencement of the 2015 year. It is therefore very important that families wishing to enrol their children here let us know before the end of this year to secure a place.
