Student Resource Scheme

Dear Parents & Caregivers,

In 2015 Grantham State School will be continuing its Student Resource Scheme. Parents/carers are responsible for providing or paying for textbooks and other personal resources for their children while attending school. In recognition that these costs can be high, the school operates a Student Resource Scheme. Participation in the scheme is voluntary.

The completed and signed Participation Agreement Form should be returned to the school by 12 December 2014.

Payment of the participation fee is a requirement for continued participation in the scheme. Payment of the participation fee may be made in whole or by instalments as indicated on the Participation Agreement Form.

If you choose not to participate in the scheme, please complete the Participation Agreement Form and return it to the office. You will then be responsible for providing your child with all items that would otherwise be provided to the student by the scheme.

Admission to the scheme may be refused where participation fees are overdue for the scheme from the previous year.

If a student enters the scheme after the first week of school, a pro-rata participation fee will apply, calculated on a 40 week school year basis.

The Participation Agreement Form form should be completed by ALL parents to indicate to the school if you are participating in the scheme. This form can be found on the school website.
