FROM THE PRINCIPAL

We have so many exciting things coming up this term and next term. We would really appreciate you taking time to read through the newsletter so you don't miss out on some of the wonderful things going on in our little school.

As we work on supporting students with their learning, and planning events for this year, we are also beginning our preparations for the 2023 school year. It would be very helpful if you could complete an enrolment form for your child if they are attending Prep at Grantham next year. If you know that your child/ren will not be attending our school next year, we would also appreciate early notice so that we can work to ensure that our staffing numbers match our enrolment requirements. If you know anyone who is thinking of enrolling here next year, we would love to hear from them! We will be conducting enrolment interviews later this term and early next term.

ENROL NOW FOR 2023

We are accepting enrolments now for 2023.

If you have a child ready for Prep, or you know someone who will be attending next year, please contact our school office for an enrolment pack.

There will be more information coming soon regarding our prep transition program, with dates for our pre-preps to join in with our prep/one class and familiarise themselves with the school and teachers.
